

Meet Mrs. Williams

Welcome to the wonderful world of PreK. I am SO EXCITED to be your child's teacher. I feel that God has blessed me immensely by allowing me to work with yours and His most precious gift, your child. I will love and care for them as if they are my own and teach them skills they need, to be successful in school and in life.

A little about me: I am married to my best friend, Brad. We have 3 adult children, Ryan, Michael and Aaron and a daughter in law, Kristen. I am also a "Sassy" (Grandma), to two of the sweetest boys, Judah and Ezra. My husband and I are the lead Pastors at The Church of Garden Valley Central Campus where I am also the Kids Pastor. I graduated from Stephen F. Austin State University. This will be my 28th year to teach where I spent 22 years in Kindergarten, 1 year in 3rd grade, and the last 4 in PreK here in Lindale. Thank you for sharing your little one with me this year!
