

Ms. Gernentz

Bio: I am so excited to be one of the Early Childhood Special Education (ECSE) teachers at Lindale Early Childhood Center this year! This will be my fourth year as a teacher in a public school setting but my sixth year in the education field.

Fun Facts: I am from Southeast Texas and moved to the Lindale area close to ten years ago. I have two boys, Wyatt and Walker. Wyatt is going into the seventh grade and Walker is going into the third grade. Both of my boys attended ECC and are enrolled in the Lindale Independent School District.

Personal Mission Statement: My mission for our classroom is to provide a safe, loving, and developmentally appropriate classroom environment that will build relationships with my students and their families.
