

# Meet Mrs. Law

Welcome to the magical world of Head Start/Pre-K. I am SO EXCITED to be your child's teacher. I feel that God has blessed me immensely by allowing me to work with yours and His most precious gift, your child. I will love and care for them as if they are my own, and teach them skills they need to be successful in school and in life.

A little about me: I am married to my best friend, Mike. We have four of the sweetest pups, EmberRose, Wylie, Rosie and Cooper. I have a stepson (Josh), 2 grandsons (Jackson & Tucker), a niece (Elliana) and a nephew (Kai). I graduated from Winona High School, Tyler Jr. College and the University of Texas at Tyler. I have taught Head Start for three years, kindergarten for twenty three years and first grade for one.

Thank you for sharing your little one with me this year!
