

Meet the COACH

about me

My name is Katie Burns. I live here in Lindale with my husband, Josh, and our beautiful daughter, Brooke.

I graduated from Oklahoma Baptist University with a Bachelor's degree in Health and Physical Education in 2009. Then, I received my Masters from the University of Northern Colorado (online campus) in 2021. Physical Education is my passion. In the gym, your children will have fun moving their bodies and learning the basics of lifetime health and wellness. I love getting to teach the littlest Eagles in the district.
